Standing Order

In cases filed on or after September 1, 2020, where the damages sought exceed \$250,000, a forty-five-day notice is required if a jury greater than six is requested. Failure to notify the Court may result in imposition of the opposing party's fees, costs and expenses incurred in resetting the case to obtain a panel large enough to select twelve jurors, proceeding with a six-person jury and/or other sanctions.
