

366th District Court Judge Tom Nowak Collin County, Texas

Dear 366th District Court Participant,

Welcome to the 366th District Court in Collin County, Texas. We are pleased to provide you with the best staff, resources, and assistance in navigating our justice system. We have taken strides to make sure that the process, from beginning to end of the suit you are a party to, is as efficient as possible.

Please take note of the resources available for download on the Collin County District Courts website for the 366th District Court. (https://www.collincountytexas.gov/district_courts/Pages/366dc.aspx)

Please review forms available for your case type, as they will aid you in the efficient disposition of your case.

The 366th has a STRICT POLICY of not allowing cases to linger without a scheduling order and dispositive setting. Cases are called to trial quickly. Cases with no dispositive activity after filing of the original petition are subject to be placed on the Dismissal for Want Of Prosecution (DWOP) docket. Agreed Continuances WILL NOT be granted without a hearing. The failure to complete discovery, depositions, negotiations, etc. in a timely manner are not good cause for cases to be postponed.

We are happy to accommodate your busy schedules for hearings and motions at almost all times throughout the week with a few exceptions. It is important that you maintain regular contact with the court regarding your case settings and hearings.

Please check with our staff if you have any questions or concerns as to how to proceed with filings and hearings for your cases during this time.

Our Court Coordinator, Mrs. Misty Beaty, is your contact person for all civil related questions and settings. Mr. Egan Pond is our bailiff and can assist if needed. Ms. Antoinette Varela is our Court Reporter and her information is included as well for record and exhibit purposes.

Sincerely,

Your 366th District Court Team
