IN THE COUNTY COURT

AT LAW NO. 1

RESPONDENT

DENTON COUNTY, TEXAS

REMOTE HEARING ORDERS/PLAN For Detention and Related Hearings

First Amended Order/Plan in Response to the Technology Standards recommended by the Judicial Committee on Information Technology released September 2023 and the resulting Orders of the Supreme Court of Texas and the Court of Criminal Appeals of Texas.

Contact kimberly.mccary@dentoncounty.gov; christina.speis@dentoncounty.gov; or 940-349-2526 if you believe any counsel, his or her client(s), a pro se litigant, any witness, an interpreter, or any other participant cannot participate in a court hearing remotely.

Please have all parents/guardians/custodians present at the hearing.

During the remote hearing, an unobstructed view of any party or witness who provides testimony will be provided.

Nothing in this Order negates the mandates of the Texas Rules of Civil Procedure pertaining to the Filing and Serving of Pleadings and Motions and the Appearances at Court Proceedings (which this Court has previously referred to as “the new Zoom rules”. See or request prior emails from the Court in this regard.)

Open or Closed Courtroom: If a party does NOT ask for and obtain a favorable ruling for a closed courtroom, the hearing will be live-streamed -- either in a public-access room in this courthouse or on the Court’s YouTube channel.

<https://www.youtube.com/channel/UCaodgPWi4v7y40orFx1r93g>

From time to time, the parties may seek to dispose of a case during the detention hearing docket. In that regard, the Court provides the following orders and plans:

For Adjudications/Modifications/Dispositions:

To Respondent’s counsel: Obtain the probation terms (if applicable) and social history from Probation.

Obtain the plea paperwork (Stipulation of Evidence, Discovery Stipulation, Order of Adjudication/Modification/Disposition) from the State.

Obtain signatures on those documents and on the Adjudication Packet (found on the Court’s

website) from your client and the parents/guardians/custodians.

Email all the signed paperwork to the judge and court administrator at least one business day before the hearing. The paperwork may also be dropped off at the Charlie Cole Building at least one business day before the hearing.

Procedures for Motions for Deferred:

Prior to the hearing, the parties will get me and opposing counsel any evidence they wish for me to review in support of their respective positions.

At the hearing, there will be no live witness testimony.

The procedure at the hearing is as follows:

Respondent's attorney will have an opening opportunity to present what the juvenile deferred statute refers to as "representations of counsel" and arguments.

The State will go next and offer the same.

Respondent's attorney will have the final opportunity to present his/her closing "representations of counsel" and arguments.

Zoom Platform:

For Remote Hearings, the attorneys, parties, witnesses, probation staff, and other attendees may "appear at" the video hearing through the use of the Zoom application by using a desktop computer, laptop, tablet, iPad, or smartphone which has video and audio capability. When the Juvenile Court is the host of a hearing, there is no cost to attendees to join in the Zoom hearing. Zoom download information is provided below in the "Subpoenas" section of these Guidelines.

Preparation for Zoom Hearings:

The Juvenile Court recommends that at least 24 hours prior to a scheduled hearing that potential attendees familiarize themselves with the Zoom software at zoom.us, which offers several online tutorials. Attendees shall attempt to join all hearings at least ten minutes prior to the start time.

Attendee Information and Presentation of Witnesses by Zoom:

Prior to all Remote Hearings, each party shall have compiled the full names, email addresses, and phone numbers of, as applicable, their clients, the clients' parents/guardians/custodians, all potential attendees, and all witnesses they intend to call and shall have forwarded the Zoom invite to those persons.

No one will be allowed to pass the functional equivalent of notes by electronic

means to a witness during the time that witness is testifying.

Other than those being used by an attorney in the case, no electronic devices, cell phones, or any internet-capable devices other than the one being used for the Zoom hearing shall be on during the Zoom hearing. Attorneys may have appropriate computer programs open to enable the attorney to present exhibits via Zoom, conduct legal research, communicate with staff, and the like. No other attendee shall have any other program or application running other than Zoom during the Zoom hearing unless that attendee receives prior permission from the Court.

Online Demeanor

Juvenile Court shall be officially in session during Remote Hearings. Remote Hearings are still considered to be courtroom proceedings and may be live-streamed. Dress, speak, and act accordingly. Let us be the gold standard for Remote Hearings.

Recording of Remote Hearings

Unless done by the Court or under the direction of the Court, Remote Hearings, or any portion thereof, may not be recorded or reproduced in any way, including but not limited to a full or partial video recording, a full or partial sound recording, or a screenshot. Attorneys are Ordered to advise their witnesses and attendees of this Court Order. A violation of this Order may be punishable by contempt.

Subpoenas for Remote Hearings

All witnesses subpoenaed to appear for a Remote Hearing will be required to attend via Zoom, unless the Court gives prior permission for appearance by some other means. A subpoena issued to a witness to appear at a Remote Hearing shall include the following notice:

"This matter is set for hearing by remote appearance via Zoom. To appear at the hearing via Zoom, obtain a free Zoom account at <https://zoom.us/download>.

If you intend to appear by phone, you may download a free Zoom app at

<https://apps.apple.com/us/app/id546505307> (Apple) or

<https://play.google.com/store/apps/details?id=us.zoom.videomeetings> (Android).

YOU ARE PROHIBITED FROM DISCLOSING ANY ZOOM MEETING I.D. NUMBER PROVIDED TO YOU TO ANY PERSONS NOT A PARTY OR AN ATTORNEY OF A PARTY TO THIS SUIT. IF YOU FAIL TO APPEAR AT THE ZOOM HEARING, YOU COULD BE HELD IN CONTEMPT OF COURT FOR FAILURE TO APPEAR."

Service of a witness subpoena may be accomplished by email or any other means calculated to provide notice of service. Proof of service of the subpoena will be provided by the party serving the subpoena and filed with the court clerk.

The court clerk shall include a copy of these orders to each subpoena being issued out of this Court.

Evidence for Remote Hearings: If you intend to offer any exhibits during the hearing, note the following:

1. Move to admit the Exhibit.
2. Unless you did so previously, email the Exhibit to:

Opposing Counsel,
The Judge (kimberly.mccary@dentoncounty.gov), and
The Court Reporter (mary.bryce@dentoncounty.gov).

3. In the subject line of the email, include:

The Respondent's initials,
The cause number, and
The Exhibit number; for example "Petitioner's Exhibit 1".

4. Format of Exhibits:

Documents: PDF

Audio and Video files: You must follow the approved Technology Standards referenced in the Supreme Court of Texas Misc. Docket No. 23-9072 and Court of Criminal Appeals of Texas Misc. Docket No. 23-005 attached for your reference.

Physical evidence may be submitted via a photograph.

This Court will NOT require parties to submit/divulge their proposed Exhibits in advance of trial. However, submission of evidence via Zoom will be more time consuming than it would be "live". The parties are encouraged to work together prior to the hearing with regard to the submission of Exhibits.

Signed September 18, 2023.

2 SYSTEM DATA EXCHANGE STANDARDS

In accordance with Texas Administrative Code, Title 1, Part 8, Chapter 177, information exchanges that occur between the various systems (electronic filing manager, case management, document management, etc.) should occur using the current OASIS LegalXML specifications. The OASIS LegalXML specification is a subset to NIEM.

3 DIGITAL MEDIA STANDARDS

In addition to content and formatting promulgated by the Texas Rules of Civil Procedure, Texas Code of Criminal Procedure, and Texas Rules of Appellate Procedure, the following standards apply to digital media filed electronically or scanned from source records (filed after the effective date of these standards) by the clerk.

3.1 DOCUMENTS

- A. An e-filed document must be in text-searchable PDF, using fonts specified in the PDF specification, on 8.5x11 page size, with the content appropriately rotated.
- B. When possible, the document should be generated directly from the originating software using a PDF distiller.
- C. Prior to being filed electronically, a scanned document must have a resolution of 300 DPI. Preferably, scanned documents should be made searchable using OCR technology.
- D. An e-filed document may not contain any security or feature restrictions including password protection or encryption and may not contain embedded multi-media video, audio, or programming.
- E. Documents may not contain package PDF's. PDF's should not be embedded inside of another PDF. Documents may not contain embedded fonts. Each document must be a single PDF. An appellate court may require that multiple PDF documents be combined into a single PDF document and bookmarks used to separate content appropriately. The content of the document should not depend on bookmarks.
- F. Any e-filed document filename should contain only alphanumeric characters that are part of the Latin1_General character set. No special characters are allowed and the length of the filename should be restricted to 50 characters.
- G. Once accepted, an eFiled document remains available to the filer for download for 30 days.

3.2 AUDIO/VIDEO

- A. The following media players are supported (specific audio/video formats can be found on each media player's website):
 - a. VLC media player (VideoLAN Organization)
 - b. Windows media player (Microsoft)
- B. When an audio/video file is natively supported by at least one media player listed in these standards, the file must not be converted into another format.
- C. If an audio/video file is not natively supported by at least one media player listed in these standards, the file must be converted to another format supported by at least one media player listed. The original, any hardware requirements, and software needed to view/hear the original must be submitted as well.
- D. If modifications are needed to enhance the native audio/video, a copy of the original must be made. The modified copy (submitted in addition to the original audio/video) must also be generated in a format supported by at least one media player listed in these standards.

4 eFILING FILING CONFIGURATIONS

Below are the standard filing configurations to be used in the eFiling system for district, county court at law, probate, constitutional county, and justice of the peace courts. This list of filing configurations must be accepted in each court. Courts and clerks may not add to this configuration but may eliminate codes if not needed in a particular jurisdiction.

It is important to note that these standards only apply to the electronic filing system which is a delivery system and are NOT standards for a county case management or document management system.

4.8.2 STANDARD FILER PROCESSES

All filers using the electronic filing system must follow the standard processes when filing particular items with the court. Clerks may not return a document for correction if the filer followed the processes outlined below.

4.8.2.1 Request for Citations

When citation is needed, the filer must select “Issue Citation” as an additional service.

Preferred Clerk Implementation

1. Clerk accepts the lead document and attachments and then electronically prepares the citation.
2. Clerk sends the citation to the filer via
 - a. The eFileTexas system as a “eServe Only” filing,
 - b. Email to the party using the email address on file.

4.8.3 ACCEPTANCE OF DOCUMENTS TENDERED FOR FILING

A clerk must accept a document tendered for e-filing unless specifically authorized not to accept the document(s) by statute, Texas Rules of Appellate Procedure, or by the Texas Rules of Civil Procedure for the reasons listed below.

Absent extraordinary circumstances, clerks must accept, return for correction, or reject documents as so authorized on the same business day they are received by the clerk's office, and no later than the end of the next business day when circumstances make it impracticable to do so on the same business day. This standard does not require processing filings after regular business hours, on weekends, holidays, or when the clerk's office is closed.

4.8.4 REQUEST FOR CORRECTION

A clerk may request a filer to correct an e-filed document only for the following reasons. The filer will have the ability to copy the original filing, make corrections and resubmit the filing with the original file date for a period not to exceed 72 hours from the time the filing is returned for correction.

5 DOCUMENT ACCESS CONFIGURATIONS

Below are the configurations to be used in the document access system provided by OCA for district, county court at law, probate, and constitutional county courts.

It is important to note that these standards only apply to the electronic document access system which is a delivery system and are NOT standards for a county case management or document management system.

5.1 ROLE DEFINITIONS

The following roles are defined for the electronic document access system:

Role 1 — Judge. “Judge” means any sitting judge on the Supreme Court, the Court of Criminal Appeals, the intermediate Courts of Appeals, the District Courts, the County Courts, and the County Courts at Law, together with associate judges and designated court staff. Justice court judges and municipal court judges are not included at this time.

Role 2 — Firm on the Case, Visiting Judge. “Firm on the Case” means an attorney licensed in Texas who has made an appearance in the case or any staff associated with that firm. This term includes other attorneys, staff, paralegals, or other persons authorized by the firm administrator. “Visiting Judge” means a qualified judge assigned to a specific case or docket for a temporary period.

Role 3 — Clerk. “Clerk” means the custodian of the official record, including district and county clerks and deputy clerks and staff necessary for the performance of the clerk’s duties.

Role 4 – Licensed Attorney. A Licensed Attorney is an attorney licensed by the State of Texas that does not fall into Role 1 (Judge), Role 2 (Attorney on the Case, Visiting Judge), or Role 3 (Clerk).

Role 5 – Registered User. A Registered User is a user that does not fall into Role 1 (Judge), Role 2 (Attorney on the Case, Visiting Judge), Role 3 (Clerk), Role 4 (Licensed Attorney) and registers with the Document Access System.

5.2 ROLE PERMISSIONS

The roles defined in Section 5.1 above are given the following permission:

Role 1 – Judges - A Judge may access all case index information and all electronically filed documents in any case in any court.

Role 2 – Attorney on the Case, Visiting Judge. An Attorney on the Case may access case index information and all electronically filed documents for any case in which he or she is attorney of record or has made an appearance in the case. A Visiting Judge may access case index information and all electronically filed documents in a case to which he or she is assigned.

Role 3 – Clerk. For purposes of the Document Access System, a Clerk has the same permission level as a Judge for cases filed in the district or county. A Clerk may access case index information and all electronically filed documents for any case in the district or county. Additionally, Clerks will have access to reports and other system features that will allow them to configure systems and to provide them with additional information concerning their offices.

Role 4 – Licensed Attorney. Licensed Attorneys can access case index information and all publicly available electronically filed documents relating to any case in which they may have an interest. This would exclude cases and documents that are restricted by Court Order, Rule or Statute including documents containing un-redacted sensitive data (“Restricted Documents”).

Role 5 – Registered Users. Registered Users can access case index information and publicly available electronically filed documents in accordance with the Section 5.3. Additionally, Registered User access does not include cases and documents that are restricted by Court Order, Rule and Statute including unredacted documents marked as containing Sensitive Data (collectively referred to as “Restricted Documents”).

5.3 REGISTERED USER MATRIX

The permissions outlined below mirror the eFiling Case Categories and Case Types found in eFiling and apply only to Registered Users (Role 5) of the system.

Index Info – an X indicates that for this case type, case index information is shown. “Restyle” indicates that the case style should be changed to protect the identities of minors.

Images – an X indicates that document images are available for this case type.

Delay – indicates the number of days delay before the case information and/or documents may be accessed by registered users.
