Order Directing the Clerk of the Court to Return for Correction When a New Case is Filed without Sufficient Fees Paid at Time of Case Initiation

On this date, the Court finds that there is a need for an administrative order to direct the Clerk of the Court to return for correction when a new case is filed without the base filing fee, issuance fees, and service fees being paid at the time of case initiation. The Court further finds that in the interest of judicial efficiency, there is a need to have the above applicable fees paid at the time a case is initiated.

It is therefore **ORDERED** that **effective October 2, 2023**, when a new case is filed without the base filing fee, issuance fees, and service fees being paid at the time of case initiation, the Clerk of this Court may return for correction at which time the filer has 48 hours to re-submit the initial filing with the applicable fees attached.
