AT LAW # \_\_\_\_\_

DEFENDANT'S WAIVER OF CONSTITUTIONAL  
RIGHTS AND COURT'S ADMONITIONS

I, \_\_\_\_\_, THE DEFENDANT, BEING PRESENT IN COURT IN PERSON,  
HEREBY WAIVE THE READING OF THE INFORMATION IN THE ABOVE NUMBERED AND STYLED CAUSE.

I UNDERSTAND THAT I AM CHARGED WITH THE OFFENSE OF \_\_\_\_\_.

I HEREBY ENTER A PLEA OF  GUILTY /  NO CONTEST TO THIS CHARGE (Check one).

I AM INFORMED BY THE COURT AS FOLLOWS:

  - \_\_\_\_\_ Other \_\_\_\_\_
2. I understand I have a right to a jury trial, a right to cross-examination of witnesses, and a right to remain silent. I freely and voluntarily waive (give up) those rights;
3. I am now mentally competent. My plea is entered without any consideration of fear. I have not been threatened or coerced into making my plea; I am pleading freely and voluntarily;
4. If I am entering a plea of GUILTY to this charge it is because I am guilty and for no other reason;
5. If my plea is one of NO CONTEST, it is because I have considered all aspects of my legal situation, discussed them with my attorney, and determined that the entry of such plea is in my own best interest;
6. I understand the punishment recommendation of the prosecuting attorney is not binding on the Court. The Court may accept or reject the plea agreement made by me and the State. I understand that because this is a misdemeanor offense, if the Court rejects my plea agreement or exceeds the plea agreement, I will not be permitted to withdraw my plea;
7. I understand that the Court must give me permission in order to appeal any non-jurisdictional defect or error that occurred prior to entry my of plea, unless the appeal relates to matters raised by written motions filed by me or my attorney prior to trial that were ruled upon by the Court;
8. If I am not a citizen of the United States of America, I understand a plea of guilty or no contest for the offense charged may result in deportation, exclusion from admission to this country, or denial of naturalization under federal law. I have discussed this with my attorney, been made aware of these potential consequences, and am knowingly entering into a plea to this type of offense;
9. If I am convicted of a misdemeanor offense involving violence where I am or was a spouse, intimate partner, parent, or guardian of the victim and am or was involved in another similar relationship with the victim, it may be unlawful for me to possess or purchase a firearm, including a handgun or long gun, or ammunition, pursuant to federal law under 18 U.S.C. §922(g)(9) or section 46.04(b), Texas Penal Code. If I have any questions about whether those laws make it illegal for me to possess or purchase a firearm, I will consult with my attorney.

(OVER)

10. If an application for deferred adjudication is granted, upon motion for adjudication of guilt, if any, I may be arrested and detained. I will be entitled to a hearing limited to the determination by the court of whether it proceeds with an adjudication of guilt on the original charge. After an adjudication of guilt, all proceedings, including assessment of punishment, pronouncement of sentence, granting of community supervision, and my appeal continue as if the adjudication of guilt had not been deferred;
11. If my application for deferred adjudication is granted, I understand that upon successful completion, I have the right to petition the court for an Order of nondisclosure under Subchapter E-1, Chapter 411, Texas Government Code, unless I am ineligible to pursue this right due to another statutory reason.
12. If I am convicted of an offense now or at a later time, I understand that I may have the right to petition the court for an Order of nondisclosure under Subchapter E-1, Chapter 411, Texas Government Code, unless I am ineligible to pursue this right due to another statutory reason.
13. If I am charged with an offense under Chapter 49 of the Texas Penal Code, any toxicological evidence collected pursuant to an investigation or a prosecution will be retained for the duration of my sentence or community supervision. Knowing of this retention period, I hereby waive the retention of any toxicological evidence collected pursuant to an investigation or a prosecution of this case for longer than six months.
14. I understand that a final conviction resulting in a jail time sentence for a Driving While Intoxicated offense will result in a "superfine" under Chapter 709 of the Texas Transportation Code. Driver's License suspensions based upon convictions may be ordered by both the court and the Texas Department of Public Safety, depending upon the most recent drug or alcohol-based law enforcement contact. Even though I may be sentenced to jail time for a second or subsequent Driving While Intoxicated offense within a five year period, the court must still order the installation, monitoring, and maintenance of an ignition interlock on each vehicle I own or operate on or before the end of my license suspension for a period of one year.
15. I understand that a second violation for section 21.08 of the Texas Penal Code (Indecent Exposure) resulting in jail time or community supervision is a "Reportable Conviction" under Article 62 of the Texas Code of Criminal Procedure that will require me to register as a sex offender for a period of 10 years.
16. I am waiving the right to have a risk and needs assessment performed prior to sentencing under Article 42A.301, Texas Code of Criminal Procedure and elect to have the Court proceed with sentencing at this time.

I HAVE READ, OR HAVE HAD READ TO ME, THE ADMONITIONS AND STATEMENTS CONTAINED IN THIS DOCUMENT AND AM AWARE OF THE CONSEQUENCES OF MY PLEA OF GUILTY/NO CONTEST;

I certify that I am the attorney of record for above defendant. I waive the 10 days allowed by statute to prepare and elect to proceed today. I have counseled with the defendant and have concluded that the defendant has a rational and factual understanding of both the charge pending and this proceeding. Additionally, I have fully explained this waiver to my client and I am satisfied that in each instance the defendant has voluntarily relinquished a known right and is aware of the consequences of this plea. I join in the defendant's waiver of the right of trial by jury.

The application to waive the jury is approved and my consent is hereby given and entered of record. The court, having considered the foregoing plea of the defendant, it appears to the court that the defendant is mentally competent. The court having duly admonished the defendant of the consequences of his plea, accepts the defendant's plea, jury waiver, and plea bargain filed and entered upon the minutes of this court.
