

266TH JUDICIAL DISTRICT COURT
THE HONORABLE JASON CASHON,
JUDGE PRESIDING

STANDING ORDER REGARDING USE OF ARTIFICIAL INTELLIGENCE

The Standing Order of the 266th Judicial District Court applies to every pending or hereafter filed case in the 266th Judicial District Court of Erath County, Texas. Nothing in this Order should be construed as to relieve an attorney or self-represented litigant of any legal or ethical obligation required by law, statute, or rule, including rules of procedure, evidence, or the Texas Disciplinary Rules of Professional Conduct.

Generative artificial intelligence systems (such as ChatGPT, Harvey.AI., Claude, Google Copilot, TensorFlow, OpenAI, Bing, Lexis+AI, Westlaw AI-Assisted Research, Ask Practical Law AI, and many others) are being incorporated into common professional use. The abilities of these systems vary widely depending on the application, version, and specific underlying technology used. While the technology is developing quickly, it is currently unreliable and prone to bias, and often fabricates information. The creators of these systems are not attorneys of record, licensed and in good standing to practice law in the State of Texas, and are not bound by the Texas Disciplinary Rules of Professional Conduct.

WHEREAS the signing of a pleading or motion in Texas certifies that each claim, defense, or other legal contention in the pleading or motion is warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

WHEREAS courts have the inherent power to sanction parties for violation of rules, orders, standing orders, and statutory obligations; and

WHEREAS a court on its own initiative may direct a court participant to show cause why his or her conduct has not violated a rule, order, standing order or statutory obligation;

IT IS THEREFORE ORDERED THAT:

All self-represented litigants and attorneys who utilize any form of artificial intelligence for legal research or drafting in connection with a case shall before using any AI-generated information in a court submission or proceeding sign and submit the attached form, certifying that:

1. all language, quotations, sources, citations, arguments, and legal analysis created or contributed to by generative artificial intelligence were, before submission, verified as accurate through traditional (non-AI) legal sources by a human being; and
2. that the self-represented litigant or attorney submitting such information understands and acknowledges that they are and will be held responsible and potentially sanctioned for their or their co-counsel's failure to comply with this Order.

This Order is effective immediately for all cases filed or pending in the 266th District Court. This Order remains in effect until rescinded or replaced by this Court. This Order is subject to modification or amendment by the undersigned at any time.

This Order shall be posted on the Court's website at www.co.erath.tx.us and the district clerk of Erath County is hereby directed to file this Order with the Office of Court Administration and in the county administrative orders of the Court, and to post a file-marked copy of this Order as a Public Notice at the County Courthouse.

Signed the 17th day of August, 2026.

A handwritten signature in black ink, consisting of a large, stylized loop followed by a horizontal line extending to the right.

Jason Cashion

District Judge

266th Judicial District Court
