Administrative Order Regarding Ad Litem Fees

On this day, the Court finds there is need for a formal procedure for paying Ad Litem Fees related to Civil, Probate and Guardianship cases.

The Court finds that many of the Ad Litem fees either go unpaid or are delinquent in their collection.

It is therefore **ORDERED** that in all cases where an Ad Litem is appointed, a $500 deposit will be required to be posted with the Brewster County Clerk.

County Judge
