IN THE COUNTY COURT A 11: 12
AT LAW

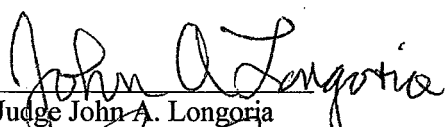

**AMENDED ORDER REGARDING
OCCUPATIONAL AND INTERLOCK RESTRICTED LICENSES**

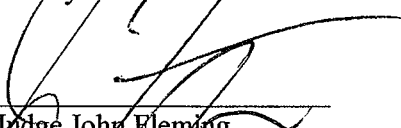

This Order sets forth the procedures for filing Petitions for Occupational Driver's Licenses (ODLs) and Interlock Restricted Licenses (IRLs) for both Administrative License Revocation Suspensions and Suspensions related to conviction(s) for the offense of Driving While Intoxicated in the County Courts at Law:

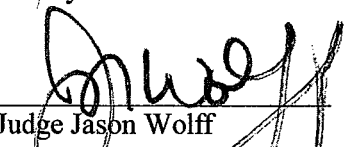

1. ODLs and IRLs will be filed in County Court Civil Filing;
2. ODLs and IRLs will be granted on a case-by-case basis;
3. No handwritten ODLs or IRLs will be considered;
4. Pursuant to Section 521.242 of the Texas Transportation Code, the courts will not grant an ODL or IRL for the operation of a commercial motor vehicle to which chapter 522 applies.
5. Attorneys are urged to insure their clients are eligible for an ODL or IRL prior to submission of an application to the Court. Prior client law enforcement contacts involving alcohol or drug use may disqualify applicants or require statutory waiting periods. DPS routinely denies ODLs and IRLs that do not meet statutory criteria;
6. Any applications resulting from a conviction for an offense under Sections 49.04-49.08 in which the applicant is seeking issuance without time restrictions or the showing for "essential need" will require mandatory ignition interlock for the duration of the period of suspension as a condition of issuance;
7. Attorneys must present their original ODL or IRL Order to the Judge of the County Court at Law in which the defendant was convicted or in which the case is pending;
8. Petitioner must provide proof, with their petition, that the Petitioner actually possesses a valid Form SR-22 (Proof of Liability Insurance) and provide a certified copy of the Petitioner's Driving record. Petitioner will also need to provide proof, at the time of the petition, of an installed Ignition Interlock device if seeking issuance without time restrictions or the showing for "essential need."
9. ODL and IRL Orders must be taken to the convicting court or the court in which petitioner has a pending criminal case for signature and may need to be set for hearing in the Presiding Civil County Courts.
10. The County Courts at Law will not consider ODLs or IRLs on DWI-3d or more offenses for any reason.

11. The court granting an ODL or IRL may order the person receiving the license to submit to supervision to verify compliance with the conditions and terms of the granting of the license. This may include testing for alcohol or controlled substances under Tex. Transp. Code sec. 521.2461. The license holder will be required to pay a monthly administrative fee in an amount to be determined by the court until the end of the person's license suspension. TEX. TRANSP. CODE sec. 521.2462, TEX. GOVT. CODE sec. 76.015.
12. The court may, for good cause, modify or terminate supervision before the end of the period of license suspension.
