

**IN THE 5TH, 102ND, 202ND JUDICIAL DISTRICT COURT
AND COUNTY COURT AT LAW
OF BOWIE COUNTY, TEXAS**

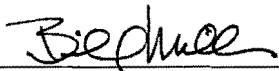

IN RE: Divorce Seminar

ORDER

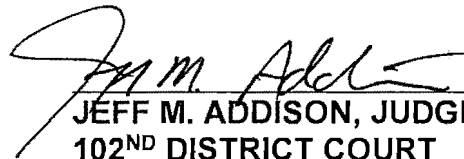

The District Courts and County Court at Law of Bowie County, Texas recognize that there are numerous proceedings of divorce in which children are involved filed each year in these courts. It is further recognized that the consequences of divorcing parents have a severe and lifetime effect on many children who experience a divorce by their parents. It is further recognized by the Courts and the law of the State of Texas, except in unusual circumstances, that the children involved in such proceedings have a right to maintain a meaningful relationship with both parties even after the divorce is completed. It is further recognized by the Courts that this relationship is enhanced if the divorcing parents recognize the inherent problems of children in such a situation and are able to cooperate for the best interest of such children.

IT IS, THEREFORE, ORDERED that all divorcing parents whose case is filed in Bowie County, Texas after May 1, 1993, shall attend a four (4) hour seminar on the effects of divorce on children. Each litigant should be advised to register for this seminar upon filing a divorce proceeding involving children in Bowie County, Texas. All parties must file a copy of their certificate showing completion of the course at least seven (7) days prior to the final hearing. Failure to abide by this order may result in further individual direct order to attend and sanctions available to the Court.

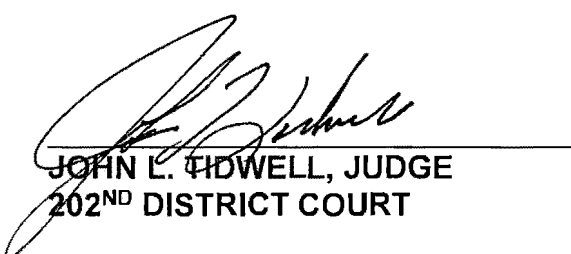

SIGNED, RENDERED AND ORDERED filed this the 2nd day of January, 2019.

**BILL MILLER, JUDGE
5TH DISTRICT COURT**

**JEFF M. ADDISON, JUDGE
