Administrative Order Regarding Criminal History Information

On this day, the Court finds there is need to amend Administrative Order 2015-2 to insure that criminal history information that is now mandated by statute to be run in all guardianship actions be kept confidential.

Pursuant to Government Code 411, criminal history information run for guardianship actions shall be destroyed upon appointment of a permanent guardian. Further, any criminal history information currently being held by the Brazos County Clerk's Office in cases where a permanent guardian has been appointed by the Court is also ordered destroyed.

Signed on October 30, 2017.
